

Declaration of Manufacturer

The manufacturer: **Steca Elektronik GmbH**
Mammostrasse 1
D-87700 Memmingen
Germany

herby certifies, that its photovoltaic inverters for connection to the low voltage grid

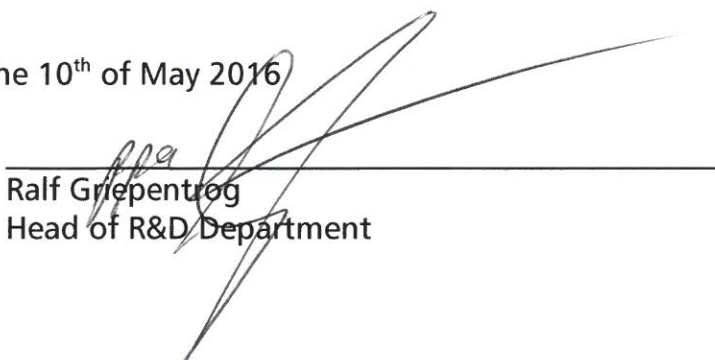

StecaGrid 1500
StecaGrid 2000
StecaGrid 2500
StecaGrid 1800
StecaGrid 2300
StecaGrid 3010
StecaGrid 3600
StecaGrid 4200
StecaGrid 3203
StecaGrid 4003
StecaGrid 4803
StecaGrid 5503

with HMI hardware version 2 and firmware HMI APP 2.7.0 or higher are compatible with the following energy meters:

Herholdt ECS3-80B Modbus
Janitza ECS3-80B Modbus
B+G SDM630-Modbus
Carlo Gavazzi EM24-DIN

The inverters can be adjusted so that the feed in power to the grid is limited from 0W to the rated power of the inverter.

Memmingen, the 10th of May 2016

Ralf Griepentrog
Head of R&D Department
